Dear Assoc. Prof. Dr. Thongma:

Greetings from Visayas State University!

The 54th Founding Anniversary of ASEAN will be celebrated this coming August. The Visayas State University has lined up various activities to join the founding anniversary celebration with the theme: “PADYAK! Moving Forward, Claiming Victory for Philippine Higher Education (PHE) in the ASEAN Community”. “Padyak” is a Filipino word that means to *pedal* in English. Among these activities is the opening of the ASEAN month celebration with the Virtual ASEAN Flag Raising Ceremony which will be streamed on 02 August 2021.

In line with this, it is our great honor to invite you to be the **Keynote Speaker** during the Virtual Flag Raising Ceremony. Your virtual presence in the opening part of our celebration will greatly serve as an inspiration in realizing the vision of ASEAN among its member nations and the world. As our Keynote Speaker, we would like to request a recorded message from you, preferably in **MPG file format**. Your message will be streamed during the Flag Raising Ceremony on 02 August 2021. We will highly appreciate it if you can send us the video **on or before 28 July 2021** to this email address: op@vsu.edu.ph.

We are looking forward to your positive response to this request. Thank you.

Very truly yours,

EDGARDO E. TULIN
President
